How can I delete files from my root folder through Plesk?

- 2020-05-19 - FTP/ File Manager

If you need to delete documents through Plesk, follow the instructions mentioned below:

1. Log into myTophost Panel and then select **Plesk Login** in order to connect to the Plesk plan you are most interested in.

2. Select **Files** and navigate to the root folder on which you wish to delete the files.

3. Select all the files (1) and **Remove** (2).
