How can I change my webmail from Horde to Roundcube through Plesk?

- 2020-03-13 - Email

If you have created one or more email account(s) through Plesk and you have enabled the webmail, you can change its issuing from Horde to Roundcube and vice versa. In order to make that change, take the following steps:

1. Log into <u>myTophost Panel</u> and then click on **Plesk Login** in order to connect to the Plesk of the plan that you are interested in.
